In recent years, there has been a dramatic shift in the network marketing industry away from autoships and physical products. We have been systematically moving to digital products, online services, and cryptocurrencies as an industry.

There have been significant increases in government control, loss of freedom, and inflation (and, in some cases, hyperinflation). This has led to fear and huge swings in the stock market, crashes in real estate, and even some families losing their life savings, their homes, and, in some cases, their hope.

But...

We are here to take a stand. We will not accept a future without opportunity, prosperity, and freedom. And for those who want to stand with us, we offer a better solution to attain an above-average life.

We are poised to help you capitalize if you partner with us to grow this new movement.

Back To The Standard (BTTTS) is the culmination of decades of experience building network marketing teams, online marketing systems, and network marketing companies.

With employees and contractors across the globe in North America, Asia, and Europe, we have assembled the brightest and best in the industry to make Back To The Standard (BTTTS) a household name and help you step into a bright new future.

Back to The Standard (BTTTS) offers a very generous, lucrative referral program for those members who want to share the Wealth Building Systems with others.

Back to the standard (BTTTS) is a fully loaded, totally automatic Wealth Building System set up and ready to make money for you on autopilot!

GROUND FLOOR INVESTING

Ground Floor is a unique financial product for individual investors that allows non-accredited and accredited investors alike to participate directly in real estate investment loans on a fractional basis. We open the door to

short-term, high-yield returns backed by real estate. Typical loans have returned 10% annually on a 3 to 12-month term. You pick your terms! You can open an account for as little as \$100. These are actually like mini CDs if you think about it.

The product is based on venture loans to real estate entrepreneurs, originated and serviced by Ground Floor. Prior to the offering, every loan is pre-funded by Ground Floor after a thorough vetting of the borrower's experience, creditworthiness, and business plan, plus an assessment of the property value on an as-is and as-improved basis.

Founded in 2013 by Brian Dally and Nick Bhargava, Ground floor is headquartered in Atlanta, Georgia with a fast-growing team on a mission to take private lending public. Use the link below and receive \$100 in your new account when you open an account with us.
