Curiosity earns cat a trip to California

For one cat in Utah, curiosity earned her a trip to California.

This April, Galena, a curious six-year-old calico house cat, chose to hide in a nice cardboard box -- the very box that her owner Carrie Clark was packing up to return to an Amazon warehouse. Galena didn't make a peep when Clark closed the flaps and got shipped.

Her beloved cat suddenly missing, Clark was frantic. Six days later she got a text message from an Amazon worker. Galena survived her trip without food or water. She was being cared for by an Amazon worker, who had her chip scanned.

The Clark couple flew to California the next day to fetch Galena.

You can take control of your brain health

A study from the U.K. has some surprising results: You can do something to take care of your brain, and you can do it today.

In the landmark study, published in JAMA Neurology, researchers found 15 risk factors for early-onset dementia in people under age 65. While some of the factors are genetic, other factors are within the power of an individual to change.

Diet: A Mediterranean-style diet with fish and omega-3 fatty acids, which forms the frames of cell membranes. You find the most omega-3s in herring, sardines, mackerel, salmon,

halibut and tuna.

Consistent exercise: At least two to three workouts per week with training for strength, balance, cardio and stretching.

Active social life: The brain thrives on stimulation. Interact with other people as much as you can throughout your life.

Wear hearing aids: Hearing loss is the most impactful risk factor for dementia. It is part of socialization. If you need hearing aids, you should wear them.

Choosing the best (and safest) seafood options

Seafood is a popular summer dining choice, whether grilled, broiled, steamed or fried. Use these seafood buying tips to help you choose the healthiest and highest-quality seafood options when you plan your next feast.

* Fish with high levels of mercury should be eaten in limited quantities, and some may need to avoid them entirely. Shark, swordfish, king mackerel, tilefish, southern bluefin tuna, and Chilean sea bass all tend to contain higher levels of mercury. Low-mercury choices include salmon, trout, sardines, cod, shrimp, oysters, and other shellfish.

* Look for heart-healthy choices like Sardines, north Atlantic mackerel, and salmon.

* Don't stress too much about your salmon. Both wild-caught and farmed salmon are safe to eat, and while their nutritional profiles differ slightly, they are both outstanding sources of lean protein that provide numerous health benefits.

* When purchasing frozen seafood, avoid packages with frost or ice crystals, which indi-

cate that the fish may have been stored for too long or thawed and refrozen.

* Know where your fish comes from. With limited exceptions, all seafood must be labeled with the country of origin, including products sold at seafood counters and markets. If the package doesn't say or the seller can't tell you, exercise caution. The U.S. seafood industry has some of the highest standards in the world for food safety and sustainability.

* Shrimp is the most popular seafood in the U.S., and consumers should feel confident purchasing farmed shrimp from the U.S., Ecuador, Honduras or Thailand. Wild-caught shrimp from the U.S. is also generally safe, but it's best to avoid wild-caught shrimp from Mexico, red

shrimp from Argentina, and giant tiger prawns farmed in Bangladesh, India, Indonesia and Malaysia.

* Tilapia is also popular for its versatility and mild flavor, but consumers should avoid farmed tilapia from China and instead choose fish from Colombia, Indonesia, Mexico or Taiwan.

What your bones would tell you

If your bones could talk, they would first explain that they are living things and become stronger with the right nutrients and exercise.

Until age 20 -- and sometimes all the way to 30 -- bone mass accumulates and grows, peaking in the third decade of life. After that, your bones would say it's up to you to keep them strong. If you don't, bone mass will decrease, year by year, for the rest of your life.

No matter your age, regular weight-bearing exercise can prevent bone loss and make your bones stronger. They include walking and exercising with hand weights.

Calcium and vitamin D are also important factors in bone strength. Adults generally should aim for at least 1,000 milligrams of calcium a day. Add 1,000 International Units of vitamin D from food or supplements. You can't absorb calcium without vitamin D.

Your spine would also have a lot to say, especially when it's hurting. It would tell you that its natural curve is a figure 8. As far as the upper back is concerned, your posture is im-

portant. If you stand round-shouldered and let your stomach sag, the upper back pays a price.

When the lower back feels tight and painful, other parts of the body might be responsible. The American Physical Therapy Association says almost all thigh muscles are attached to the pelvis, which interlocks with the spine. If thigh muscles don't keep the pelvis stabilized, the spine is prone to shifting. Lower back muscles are forced to compensate, and the overwork can cause pain.

Stretching and strengthening thigh and hip flexor muscles can help to keep the spine in shape and pain-free.

Bone up on fall prevention

You might be a physically coordinated person, strong and in control of your body, but you can still fall down. Falls are the number one cause of injuries in the workplace. Review these tips and hazards to refresh your memory on fall prevention.

Your work area

* In a plant, warehouse, or office, the most common causes of falls are tripping and slipping.

* Dry the floor after spilling any liquid. Don't just wipe it up -- wipe it dry.

* Watch where you are going so you can spot anything that could trip you up.

* Don't carry anything that blocks your view of the walkway. Get help.

* Don't string a temporary cord across an aisle or walkway. If it's unavoidable, mark it clearly so others don't trip over it.

Outside your work area
* Be aware of single steps and uneven surfaces.

* Don't run or rush through halls or aisles.

* Take steps one at a time and use the handrail.

Sometimes people think that because they don't climb ladders or work where they could fall from a significant height, they don't have to worry about falling. But people can sustain serious injuries when they fall just a few feet.

* Never rock on the back legs of a chair.

* Be careful when you use a step stool to reach up to a shelf. One NIOSH study indicates that falling just one, two, or three feet can cause a serious injury.

Know the ABCs of CPR

If you've never taken a course in cardiopulmonary resuscitation (better known as CPR), these simple instructions could help you save a life. If you have taken a CPR course, refresh your skills with this guide from the American Heart Association.

A: Airway. If the person is not responsive, call 911 first. If there are no head or neck injuries, gently tilt the head back by lifting the chin with one hand and pushing down on the forehead with the other.

B: Breaths. If the person is not breathing normally, give two rescue breaths. Keep the head tilted back, pinch the nose closed, and place your mouth around their mouth. Blow two slow, full breaths (about two seconds each), while watching to see that the chest rises with each breath.

After giving two breaths, check for signs of circulation such as breathing, coughing, movement, or responsiveness to gentle shaking. Place your ear near the mouth to listen for breathing.

C: Chest compressions. If no circulation is detected, begin chest compressions. Place the heel of one hand in the center of the chest (between the nipples), with the heel of the second hand on top. Position your body directly over your hands, elbows locked. Perform 15 compressions, pushing the breastbone down about two inches with each thrust and allowing the chest to return to normal between compressions. Use the full weight of your body.

Repeat the procedure three times.

Why you need more vitamin C

Even if you have a glass of orange juice and take a multivitamin every day, you might still need more vitamin C. Here's why:

1. Low vitamin C is very common. One in three Americans has low blood levels of C. Researchers at Arizona State University think one reason is that foods don't contain as much vitamin C as we think. For example, orange juice in ready-to-drink cartons has far less C than juice from frozen concentrate.

2. The recommended daily allowance (RDA) for vitamin C is too low. C is an antioxidant superpower that neutralizes free radicals that are associated with cancer, heart disease, cataracts, and other conditions. According to physicians writing for Prevention, 500 to 1,000 mg of vitamin C per day are needed to saturate blood and tissue. Current RDA levels are 90 for men and 75 for women.

3. If you have diabetes, extra vitamin C is recommended. People with diabetes have high levels of oxidative stress, which can lead to blindness, nerve damage, and heart disease. Vitamin C helps to counter these effects. If you take supplements, be sure to tell your doctor.

The safe upper limit for vitamin C taken daily is 2,000 mg. Higher doses can cause diarrhea or stomach upset.

June 1 to July 4: Fireworks Safety Month

Plan to celebrate safely with fireworks

Here is the best fireworks safety tip: Obey the law.

Most parts of the U.S. have limits on the types of fireworks that can be sold. You'll be safer if you follow the law and keep away from illegal fireworks. Don't use Roman candles, firecrackers, bottle rockets, M-80s, and cherry bombs.

Even with legal fireworks, follow these safety instructions:

* Make sure kids under age 14 don't set off fireworks without adult supervision.

* Keep a bucket of water nearby. Use it for matches, spent fireworks, and to put out accidental fires.

* When you light a fuse, move away quickly. If the fuse sputters or goes out, douse the device with water and move on to the next. Never try to relight a dud.

* Light fireworks on the ground, not in your hand.

* Never drink alcoholic beverages.

* Light only one firework at a time.

RE: **Helping more people make more money...**

Dear Fellow Marketer,

Maybe you're like I was...frustrated with all the programs out there that never seemed to work out. All anyone wants is a good honest program from a good honest company. I was looking everywhere for a program that had the potential to make a good income and would be around for the long haul. Quarterly Connection fit the bill for me and solved all the problems I had with other programs I tried to work with in the past.

Quarterly Connection has been going strong for over 10 years now! They have already stood the test of time. Their marketing system is the best of the best and makes it easy for even the most in-experienced person to get sign ups on a regular basis. Their unique "Expandable Forced Matrix" actually forces people into your down-line. In fact, many people get paid even before they start their own promoting! Their system is powerful!

Quarterly Connection does a 100% Automated Turn-Key Mailing for every member...every quarter! This is very powerful because even those that do not promote on their own still have mailings out there working for them. You can create a residual, passive income if you're willing to stay in the game. That's why Quarterly Connection says, "our product is your success"! Few companies offer so much value for the money.

It's ok to be skeptical! I was before I joined. What I did was attend one of their weekly conference calls. I had a few questions to ask and they were all answered live! You are free to attend the calls anytime you want. The number to call is: 857-232-0156 and when prompted for the access code, enter: 183183 Calls are every Wednesday evening at 7PM Mountain Time. You are invited to get on a call...even if it's just to listen in!

There is so much *more* I would like to tell you...but there's *not* enough time or space here to do it. I *urge* you to send for your Info Kit as fast as you can. Membership is by invitation only...and your personal invitation will be included in your info kit. Once you receive it, I'm *sure* that you'll see, just like I did, all the benefits of becoming a member of this wonderful company! I can't wait to welcome *you* to the team!

We are *only* asking you to spend \$3, an envelope and a postage stamp...that's all! It's 100% risk free!

Send in \$3 to Quarterly Connection for your Complete "Info Kit", P.O. Box 468 – Moffat, CO 81143. If it's *not everything* that we say it is, return it for a "no questions asked" 100% refund...PLUS the First Class Postage you paid to return it!

Don't wait! Send for your *complete* information kit now. You will *not* be disappointed!

Most Sincerely,

Aaron Johnson

Sponsor ID: 392-7

P.S. Send \$3 for your *complete* info kit now! And I'll see you at the top and not *from* the top.
P.P.S. Get your \$3 Info Kit first. Then, if you have *any* questions, feel free to give me a call.

Work From Home In Mailing Letters

Dear Friend,

Would you like to earn \$2,900 to \$5,000 each and every week from the comfort of your home? How about MORE than \$5,000 a week? Would that help you catch up with your bills, and allow you to relax while enjoying the finer things in life? If your answer is yes, then this is the perfect opportunity for you. We desperately need home workers to stuff and mail out our special advertising letters. We have so much work on hand, that we're paying home workers \$10.00 for each letter stuffed and returned to us as per instructions. That's right, \$10 EACH, the highest rate in the business. Stuffing envelopes simply means putting a letter or circular into an envelope, sealing it, and dropping it in a mailbox.

It's that simple! All you have to do is stuff the envelopes that we send you with the letters that we send you, and then mail them out so that you can receive your paycheck. Can you find an easier job than this? That pays as well? As stated above, we pay \$10.00 per letter stuffed and returned to us. You will not have to pay for postage stamps. All postage cost is reimbursable...That means it's FREE! You will not have to do any form of advertising whatsoever! We also do not deduct taxes from your paychecks. You get the full amount. We will send you a 1099 form at the end of the year, when you're ready to file your taxes. Please Note: All pay checks are mailed on Tuesdays, so you'll receive them by Friday. You will have NO worries. Just stuff the special letters that WE WILL SEND YOU, and GET PAID FOR THE WORK YOU DO.

IN ORDER TO GET YOU STARTED IMMEDIATELY, we must require a one time computer processing and material fee. This one time fee ensures that you're serious about the program, so we aren't sending this material for no reason. Part of the fee is for our accountant to set up a payroll plan, so that you can receive your paychecks promptly each week, as well as keep a record of your earnings. To order, please mail \$20 cash or money order to:

Flood your mailbox with UNLIMITED \$20 Bills!

Dear Fellow Marketer:

Hello! I'm here to tell you about an amazing work from home opportunity! This is brand new and is already setting the marketplace on fire! This is your chance to secure a unique position with me right at the top! This one is just too good to pass up!

It's no secret that Cash programs have become very popular over the past few years. After studying most all the Cash programs out there, we decided to take this information, eliminate the problems, and put together a Perfect Program! That's how "The Perfect Storm" came about.

If you are looking to flood your mailbox with UNLIMITED \$20 bills every week, then this is the right program for you! No experience required and no gimmicks! All you need to do is mail a simple flyer with your name and ID number on it. We take care of all the rest!

Here's how it works: When you become a member, you will receive a flyer with your name and unique ID number. When people join from your flyer, you are paid \$20 Cash the same day! When people join other people in your down-line, you also get paid \$20 Cash for them! Daily!

If you can imagine getting paid from thousands of flyers being mailed by people on your team, you can begin to understand the power of this program! You could soon be receiving UNLIMITED \$20 bills on a daily basis! The potential is staggering!

Income Example: What if you signed up only 5 people and they did the same thru 5 levels deep? You would be looking at \$78,100 Cash! What would that do for you and your business? This is an income you could be making right from your own home! Are you ready yet?

Do you have more questions? You are invited to join us on our weekly conference calls to get any questions you may have answered. This is where our top leaders hang out. Weekly calls are held every Wednesday evening at 7PM Mountain Time. Call: 857-232-0156 Access Code: 183183

We give away CASH! At the end of every call, we have a CASH giveaway! We pull a number out of the hat and give away CASH to some lucky caller! The amount of CASH given away depends on the number of people on the call. If there are 100 people on the call, we give away \$100! Send \$120 Cash, Check or Money Order along with a copy of the flyer to: Quarterly Connection, P O Box 468, Moffat, CO 81143

RE: The affordable program where nobody gets left behind...

24 Hour: 719-452-2510

Dear Reader:

I'm going to keep this short and to the point. If you are looking for a truly affordable program with unlimited income potential...where nobody is left behind...then look no further. I hate to use the old cliché "in the right place a the right time", but in this case, it is absolutely true!

The market place has been ready for an affordable program that actually works for a long time now! No more sending cash or money orders to 3, 4, 5 names on a list. If you think about it, how many of those programs have lasted more than only a few months?

Quick-Fire is run by a professional company that has been in business for over 10 years now. They will gladly accept cash, checks, money orders or credit cards! They make it easy to join and provide you with professional service...and everything you need to get started making money fast!

You don't have to wait to get paid! They send out checks weekly...every Friday. Most importantly, you get paid from the same people over and over again each quarter...true residual income! It never made any sense to join one time pay only programs, do all the work and then only get paid one time. How many of those programs that you saw a year ago are still here today? They quickly fall to the wayside once people understand that the programs have no residual income...which means they are doomed for failure and will never last! Quick-Fire is designed to be here for the long haul.

Remember also, a program does not have to be expensive to bring in big money! Quick-Fire was designed to be affordable for the average person! It appeals to the masses. It's much easier to duplicate than the expensive programs. You'll get paid more money while spending less!

As you probably know, "being first" gives you a big advantage when it comes to mail order programs. Right now is the perfect time to get started building your residual income...an income that will keep growing and paying you for many years to come. There will not be a better time than right now!

The company has given us their "Expandable Forced Matrix"! In simple terms, we all start with a 1 x 1 Matrix, then a 2 x 2...then a 3 x 3...etc....as each person's team continues to grow. This forces people in your downline! You'll get paid \$5 thru 5 levels! This is very powerful!

Now it's time to take action! Send in your \$39 to get started now! After that, it is only \$39 every 3 months! You can send in Cash, Check, Money Order...or you can use your Credit Card. If you use your Credit Card...you are free to Fax or email your application in to get started even faster!

Send \$39 Cash, Check, or Money Order along with a copy of this flyer to Quarterly Connection, P O Box 468, Moffat, CO 81143.

Most Sincerely,

Aaron Johnson

Important Questions and Answers...

Q: Is this a Quarterly Program?

A: No. Due to the cost of this program, we decided to give people more time to renew their memberships in order to make it more affordable for the masses. Your memberships are paid for an entire year. In reality, that makes this only a \$10 per month program! This is explained on our 24-Hour Hotline! **1-719-745-3115.**

Q: How will I know when to renew my membership?

A: In 11 months, you will receive an invoice in the mail to renew. If you choose to renew, you will pay \$120 for another year. You will also be paid for everyone in your down-line thru 5 levels deep when they renew. Recruiting every month helps to create your monthly residual income for the future.

Q: Are there any other fees?

A: There will be a \$25 Yearly Admin Fee. It is waived for the first year but will be due at the beginning of your 2nd year when it's time to renew. This keeps the program sustainable for the long haul. Just like our other programs, we plan for this program to last for years and years to come!

Q: What are the products I will receive for my money?

A: You will receive your Welcome Kit with a Master Copy of your personal flyer. You will receive 120 Targeted Leads on peel and stick labels. You will also receive our special reports "How to Become a Master Direct Mail Marketer" and "How to Become a 6 Figure Earner".

Q: How do I know when people join my team?

A: When you personally recruit someone, you will receive a copy of their flyer along with your payment of \$20 Cash. If someone joins *under* a person in your down-line, you receive a payment coupon along with your payment of \$20 Cash for each new person joining.

Q: When is the best time to join?

A: Since this is a yearly program, the absolute best time to join is immediately! We consider your first month as a free month and your official paid membership begins your second month.

Q: Will I get a new ID Number?

A: Yes, everyone will receive a unique personal ID Number.

Q: When will the first payout be?

A: All orders are processed within 24 hours. You will immediately be entered into our *state-of-the-art* "Expandable Forced Matrix" tracking software and *EVERY DAY* is payday! You will be mailed \$20 Cash for *every* new member that joins *you* or *your team* each and every DAY!

Q: Do you accept Checks and Money Orders or Credit Cards instead of Cash?

A: Yes! We accept *Cash, Checks, Money Orders* and *Credit Cards*. If you use a Credit Card, there is a \$20 Processing Fee for a total of \$140. If sending Cash, you may want to consider using **Priority Mail** for your own protection! It's a *small* price to pay for *peace of mind*.

Q: Will Turn-Key Mailings be made available?

A: Yes, all members will receive an *Order Form* in their *Welcome Kits* where this service can be purchased.

Q: Are marketing materials available online?

A: Yes! Go to www.quarterlyconnection.com and click on "The Perfect Storm" tab. For color marketing materials provided by Smartz Printing, go to: 877.SmartzSupport.com

The Art of Kissing!

The dictionary says that a kiss is "a salute made by touching with the lips pressed closely together and suddenly parting them." From this it is quite obvious that, although a dictionary may know something about words, it knows nothing about kissing.

If we are to get the real meaning of the word kiss, instead of going to the old fogies who compile dictionaries, we should go to the poets who still have the hot blood of youth coursing in their veins. For, instance, Coleridge called a kiss, "nectar breathing." Shakespeare says that a kiss is-a "seal" of love.

Others have said that a kiss was: the balm of love; the first and last of joys; love's language; the seal of bliss; love's tribute; the melting sip; the nectar of Venus; the language of love.

Yes, a kiss is all of these . . . and more.

For a kiss can never be absolutely defined. Because each kiss is different from the one before and the one after. just as no two people are alike, so are **no two kisses alike**. For it is people who make kisses. Real, live people pulsating with life and love and extreme happiness.

DIFFERENT KINDS OF KISSES!

Of course, there are different kinds of kisses. For instant, there is the maternal kiss of a mother and child. There is the friendly kiss of two people who are meeting or are separating. But although all of these are called kisses, they are not the kisses* that we are going to concern ourselves with this book. Our kisses are going to be the only kind of kisses worth considering, the kiss of love. The kiss perhaps, that Robert-Burns had in mind when he wrote: *Honeyed seal or soft affection, Tenderest pledge of future bliss, Dearest tie of young connection, Love's first snowdrop, virgin kiss.*

This book is going to be a manual of the kiss. In it we are going to discuss the most approved methods of kissing, the advantages of certain kinds and, with the disadvantages of others, the mental and physical reactions of kissers, historical episodes of kissing together with examples from the literature of the world in which kisses were the subject. **Learn about Vacuum Kiss, Pain Kiss, The Dancing Kiss, How Kiss Girl With Different Size Mouths, Electric Kiss, Eyelash Kiss, French Kiss and Much More!** So, gird up your loins, pucker up your lips and let's go to the kissing arena! **Order Your Copy TODAY!**

THE \$5 BLASTER

TURN \$5 INTO COMPLETE DOWNLINE BUILDING SERVICE AND MASSIVE INCOME

THE \$5 BLASTER is a 2 X 2 forced matrix cycling network marketing program that moves each member through a fast moving series of custom designed self filling 2 X 2 matrix STAGES. That means you only need 2 people on your first level and 2 people on their 1st level. Only 6 people to complete a stage. **THAT IS IT. THERE IS NOTHING ELSE TO DO.** At this point we send you your earnings. You have the option of keeping your earnings for yourself or upgrading to the next STAGE. This is the simplest downline program ever, because all downline groups are filled first come first serve from left to right in one continuous team build organization. **THAT IS WHY NOBODY IS LEFT BEHIND.** This is a feeder program as well. So we do pay your entry into other profit producing network marketing programs. It also includes it's own in house advertising service and downline building service. This means that we are always building this for our members. **YOUR ENTRY includes.** 1. A downline building service that will be used to build this program. 2. Paid Entries into other network marketing programs. 4. Communications services for the members of this program including regular emails and conference calls. 5. All current marketing materials 6. Consulting & personal coaching. 7. And a whole lot more.

SPONSORING IS NOT REQUIRED, due to the fact that this is one big team build placing everyone into the same matrix from left to right. However generous bounces will paid to those who sponsor, Plus everyone is expected but not required to upgrade to the next STAGE and re-enter back into STAGE 1 each time any stage has been completed after stage 2. **This keeps the program moving for everyone.** See the PHASES below.

WHY JOIN THIS PROGRAM? *Very Small Cost-Just \$5 * WE PAY DAILY! *

HERE ARE ALL OF THE STAGES

Receive Repeating \$500 Cash Payments!

This is Quite Possibly the Easiest and Most Profitable Home Income System Ever Invented – Bar None!

If you can make copies of this simple one-page flyer, put it in an envelope and drop it in the mail, you can easily begin receiving **MULTIPLE \$500 CASH PAYMENTS** over and over again! Believe me, making money just doesn't get any easier than this!

We've spent years developing and perfecting this system so that the average person can **REALLY MAKE MONEY** working from home. I won't hide anything from you or fill you up with all kinds of useless hype. I will show you **EXACTLY** how our system works.

I've used my exact blueprint for how I've made hundreds of thousands of dollars from home to develop and perfect this system. Just follow my **Easy Home Mailing Cash Method** and **you'll have repeating \$500 cash payments coming in before you know it!**

Through all my years of trial and error and experience, I developed this revolutionary system designed to plug EVERY DAY people into a never ending stream of **REAL INCOME** in the easiest way possible. You see, **I would LOVE to see you getting these \$500 cash payments day after day.** That's why I developed this amazing system. To help the people who need it most grab **REAL EXTRA CASH - EACH AND EVERY MONTH!** This is not hype. This is a complete system that cuts right through all the unnecessary BS and gets right to the heart of what a good money-making program should do – put **REAL CASH MONEY IN YOUR POCKET!**

If you have ever dreamed of making a real income working at home, this amazing money-making package is what you have been looking for. This is a real and **LEGITIMATE HOME-BASED OPERATION THAT IS SO SIMPLE AND EASY TO DO THAT YOU WON'T BELIEVE YOUR EYES WHEN THE MONEY STARTS POURING IN! AND POUR IN IT WILL!**

Let me assure you that is a one-of-a-kind, truly unique method of making money from home - unlike anything you have likely ever seen. If you are willing to put in the small amount of effort to follow my simple system, you can easily begin collecting **REPEATING \$500 CASH PAYMENTS right away!** This system was developed to generate a quick and lasting income without all the hassles and headaches of most home-based businesses.

This is very likely the last time you will ever have the opportunity to participate in a **REAL GUARANTEED INCOME PROGRAM THAT ACTUALLY WORKS!** That's the truth! I'm sure you get tons of so-called money-making offers in your mailbox and being the wise person you are, you **KNOW** they are almost all nothing but junk. Usually, they are only designed to make money for the guy selling it NOT the person buying it. That's where this is completely different. **MY ENTIRE INTENTION BEHIND THIS SYSTEM IS TO ALLOW YOU TO PLUG INTO A VERY REAL INCOME PROGRAM THAT HAS MADE ME MONEY FOR OVER 25 YEARS AND IS MAKING MONEY FOR MANY OTHERS AS WE SPEAK!**
