# Cash Or Stamps

*Why Not Both?*

We all need cash and stamps to operate our businesses and programs. You can receive both by participating in this simple straight-line program.

Simply send each person listed below the amount listed next to his/her name. Some will receive stamps and some will receive cash.

One of the names listed below is the prime source. This person will add your name and address in the first position below and send you a master copy of this circular for you to mail out. Each name moves down the list as new people join.

As people join up, you receive stamps or cash depending upon which position your name is in. People who join from your efforts will be mailing circulars with your name on them. Each person will help you earn more cash and stamps. If each person recruits only 2 people, by the time your name reaches the number 7 position, you could have earned nearly \$10,000 in cash and 10,000 first class stamps.

To get started only requires a modest investment. The payoff at the end could be epic!!

Send Each Person Below The Amount Listed Next To Their Name. Include a copy of this circular with each. In order to make this program legal, request that each person add your name to their master mailing list, or send you a "Big Mail". The Prime Source will add your name to this circular and send you a camera ready copy for you to print and mail out so that you will begin to receive Cash or Stamps.
