CHRISTMAS DASH CASH!
- NEVER TOO LATE! -- NEVER TOO EARLY! -

From Neighbors-Helping-Neighbors Network ~ Neighbors Hand In Hand

Everyone wants to have extra cash in hand throughout the holidays, & every day ... start right now! Christmas Dash Cash will take some of the worries out of all the dashing about during the holidays — who has time to worry about money? Sure, you may not get rich, but you WILL have a lot more jingle-jingle all year long!

This is another program from our Neighbors Hand In Hand members. We're reaching out to one another and to others who wish to become new members as we realize we are all neighbors helping neighbors in the mail order business.

This Is Easy, Simple, and Fun! So Let's Get Dashing !!!

First, Complete the name and address section below. Next, make a copy of this circular and mail it to each member listed, along with the cash amount and number of stamps for each position they hold positions 1 thru 7. Then, make a copy of the entire circular and send to the Administrator along with 5 First Class Postage Stamps (to help with mailing Welcome Packs.)

When you join us in Christmas Dash Cash the Administrator will send you a Master Copy of this program with your name in Position #1. In Positions #1, & #2, you will receive $5 Cash & 2 F/C Stamps each. Position #3, & #4, you will receive $6 Cash & 3 F/C Stamps, at Position #5 & #6 $7 & 5 F/C Stamps, and Position #7 is where you receive $12 in Cash & 10 F/C Stamps. This may not seem like much but, multiply it by just three (3) new members that your fliers bring in. Then, their three each, and you keep getting paid. Make copies and mail or hand out as many of these circulars as you can. When someone joins from one of your circulars, their name will replace yours at Position #1 and you will move down toward more cash and more stamps! This is a Cash or M.O. Only (No Checks) Program. Send money and F/C Stamps with a copy of this circular to the members and Administrator listed below. When your name drops off the #7 Position you will be automatically entered into Phase II where the amounts reach $20 at # 12, and a NEW circular will be mailed to you. If you and each one after you will bring in three (3) others, just imagine the potential; imagine the CASH!

ONE MILLION FRIENDS

A very rich man once said, "I could go broke today, and be a millionaire tomorrow. Because I've got at least a million friends and every one of them would gladly give me $1." How would you like to have a million friends who would each give you $2 and 2 First-Class stamps? That is, for your best offers?

Simply send $2 cash and 2 First-Class stamps to each person listed below and tell them to add your name to their mailing list and send you their best offers. If they don't have any offers to send at the present time, they can add your name to their mailing list for a future date. There is no need to add any notes, because it is understood what the $2 and 2 First-Class stamps are for.

Your name moves down the list every time someone joins a flyer with your name on it. By the time your name reaches the bottom, you should have at least a million friends and be a lot richer than you are today.

To join this exciting new program, just fill in your name and address at the bottom of this flyer and make a copy for each person listed. Mail a copy of this flyer and $2 cash and 2 First-Class stamps to each person listed. **DO IT TODAY!**

Just Believe!

That’s what my Grandmother use to say to me. ‘If you think there’s a possibility of it working, believing will make it so.’ I think that is where we’ve gone wrong with mailing today. We blindly prepare our letters and send them out mail without any convictions behind them. Everyone who’s worked in mailing has found some degree of success at one time or another but is it enough. Can’t we have more than a one time victory? Have you ever thought ‘How do I prove this can works?’ My Grandmother use to mail. I remember her copy letters by hand and only mailing out a dozen or so, simpler times or is that more trusting times. The letters that came back all had a dime inside. It seemed silly all that work for a dime. But dear Gran was very well off when she died. Maybe that’s what the world needs today just something silly to believe in. I propose a Gifting letter for a Quarter. That’s right 25 Cents! Believe me you’ll be surprised in what a quarter can make till you do the math yourself and that’s just with 5 responses.

Over 3 million. Can you believe it!
If you believe in mailing You have to join!

Side note: the post office is going to go nuts!!!! Let them tell us now, how broke they are!!!

Directions: 1. Send a Quarter (25¢) to each person on the list with the note: Heard you need a little change hope this helps. 2. Move everyone down one line and add your name to the 1st position. 3. When the list is full, the person in 10th position moves off the list and your name goes into the 1st position. 4. Mail out 20 letters a week till you get the response you want.

The response rate should be high it doesn’t get any simpler than this.
